Firemen's Ball Friday Night, April 26th

Second Annual Event; Under The Patronage Of A. E. Godfrey, Air Commodore, Air Officer Commanding, Western Air Command, Who Will Be Represented By R. F. Begg, Flying Officer, In Command At Patricia Bay Air Port; Grand March At 10, Prompt

With the National Defence Air Base within the territory of North Saanich it is very fitting that the second annual Firemen's Ball will be held under the distinguished patronage of A. E. Godfrey, Air Commodore, Air Officer Commanding, Western Air Command, who stated: "Mrs. Godfrey and I will be only too pleased to be patrons to such a worthy cause. . . . However, owing to an appointment in Calgary this week Air Commodore Godfrey will be unable to be present and has instructed R. F. Begg, Flying Officer, commanding No. 111 (C.A.C.) Detachment, R.C.A.F., Patricia Bay, to represent him at the ball. Flying Officer Begg and lady will lead the grand march at 10 o'clock in the evening — so be on hand for the grand opening.

Nearly 400 guests attended the ball last year and all the committee is again arranging for a record crowd and doing every thing possible to make this the high light of the spring season. The ball is in aid of the North Saanich Volunteer Fire Brigade boys, sponsored by the Firemen's Benefit Association, and should be of interest to every citizen of North Saanich.

All the latest in dance tunes and many old melodies will be included in the repertoire of Len Acres and his quartette of assistants.

Stacey's Hall is being decorated by the fire brigade boys in appropriate colors and the supper committee have a very appetizing mid-night lunch well in hand.

Miss Florence Clough and a sextette of dancing girls will be an added attraction and will sure to prove interesting. All the latest in solo, toe, tap and costume dances will be in evidence. Also another added attraction will be a young couple in special numbers of dance and song.

Response from organizations and societies in the district towards supper expenses was very gratifying last year and the public is again being asked to contribute in the same way.

The secretary would like all those selling tickets to report to her by Thursday night on ticket sales, as tickets unsold will be required at the door, and urges all those who have not secured their tickets to do so BEFORE the dance, if possible.

PROPERTY ON SALT SPRING PURCHASED

According to the press of Victoria a retired Englishman who came to B.C. a year ago, has purchased "Sanctuary," the 800-acre Baldwin Estate at Long Harbour, Salt Spring Island, Harold E. Pratt of the Victoria firm of Ker & Stephenson, negotiating the deal.

The new purchaser will probably use "Sanctuary" as a summer home, although it is possible some part of the land may be put under development.

The estate belonged to Mrs. Anita M. Baldwin, a wealthy California woman who died last year and her favorite summer home. The property has a fine, large, fully furnished residence; hired help house, barns, chicken houses, creamery, with several excellent beaches.

"CHILDHOOD" RE-LIVED AT GALIANO

GALIANO ISLAND, April 24.—Miss Eileen Wright and Miss Helen Pontifax were hostesses at a delightful party at the Farmhouse Inn on Friday. The guests, who were hidden to come as children, played children's games all evening. The large room was decorated with toys and colored picture books, a perfect setting for all "the little girls" in their short skirts, and huge ribbons of every hue, while the boys went back a few years and donned short trousers again. Prizes were awarded to Mrs. L. T. Bellhouse, who was the "best little girl," and Gerry Quirk, the "best little boy."

An interesting contest was held, which consisted of guessing who the various photos on display represented, as each guest took a snap of himself or herself when under 10 years of age.

A delicious supper was served. Favors were given to everyone, also "all day suckers" given to the "kiddies."

Among those present were: Mr. and Mrs. L. T. Bellhouse, Mr. and Mrs. D. A. New, Mr. and Mrs. E. J. Bambrick, Mrs. Sidney Donkersley of Ganges, Mrs. Donald Jenkin, Mrs. Kenneth Hardy, Mrs. Gerald Steward, and Misses Kay Norris, Dorothy Patience, Josephine Barnes, Mary Scoones and Betty Scoones, and Messrs. Alan Steward, Leslie Page, Joe Walters, Ronald Page, Gordon Nicholls, Gerry Quirk and Peter Denroche.

It Looks Like A Big Crowd At The Ball!

As we are about to go to press we hear that a large party of Salt Spring Island young people are planning to attend the Firemen's Ball on Friday, April 26th in Stacey's Hall, Sidney.

Also comes word that a big party of young people around Keating are coming.

From reports circulating in Victoria there will be scores from the city in attendance.

Last year there were approximately 400 at the dance, this year it looks as if that number will be exceeded!

"PANTORIUM" SERVICE FOR NO. SAANICH

When the Review learned that "Pantorium" of Victoria had decided to establish a service in Sidney and district and that a "phone connection" had been arranged for with the B.C. Telephone, Walter P. Jeune, and asked him for a little information regarding his firm for the benefit of our readers. Mr. Jeune issued the following statement:

"The Pantorium Dye Works of Canada Ltd., 905 Fort Street, Victoria, B.C., has been established for the past quarter of a century. It is the company's policy to give to its patrons the highest quality of work obtainable. This is made possible by having only experienced persons in its employ.

"Our collections and delivery service is regulated by the shortest time consistent with good work. Our prices are reasonable, particularly when you consider the high class of work and service given.

"The company stands 100 per cent behind its work, and its first consideration is from the patron's view point.

"The management and staff of the Pantorium Dye Works of Canada Ltd., assure the residents of North Saanich a service that will please them."

Interested readers of the Review residing in the area of North Saanich no doubt would like to know the local "phone number" and here it is: Sidney 34. And where is "34" located? At Barton's Store, Marine and Harbour Road.

Silver Tea Nets \$8.50 For Auxiliary Funds

GANGES, April 24.—Friday afternoon, last week, a silver tea, organized by the Ganges Branch of the Woman's Auxiliary, took place at the home of Mr. H. W. Bullock, which had been kindly lent by him for the occasion.

About 24 members and friends were present and all took part in a "Quiz" program, arranged and conducted by Mrs. G. B. Young. The first prize for this contest was won by Mrs. W. Norton, the second by Mrs. H. A. Robinson.

Tea, which was under the management of Mrs. C. H. Popham, assisted by Mrs. W. Palmer, was served in the dining room decorated with primroses, to commemorate Primrose Day; the table and other rooms were also arranged with the same flowers. The sale of some lovely tulips donated by Mrs. D. Simson and the sum derived from the tea cleared \$8.50 for Woman Auxiliary funds.

PLAY BRINGS \$80.00 FOR THE RED CROSS

FULFORD, April 24.—The play "Aunt Tillie Goes To Town," which was presented on Friday evening, April 19th, in the Fulford Community Hall, by the Fulford Dramatic Club, under the very capable direction of Mrs. A. Hepburn, in aid of the Red Cross, was an outstanding success in every way.

A very large crowd attended, visitors from all parts of the island being present.

This was organized by the entertainment committee of the South Salt Spring Island Women's Institute. About \$80.00 was cleared by the evening's entertainment.

The players who took part, all amateurs, are to be congratulated on their excellent performance — this being their first appearance before the footlights.

The play was full of humor, keeping the large crowd in fits of laughter and brought forth great applause.

During the intervals of the three-act play a splendid display of tumbling was given by Gordon Hartley, instructor, teacher of the Beaver Point School, and six of his pupils, George, Hugh, James and John Stewart, Floyd, Kaye and Ernest Fisher.

During the second interval Walter Cummer played a violin solo, which was well received.

At the conclusion of the performance Mrs. Hepburn was presented with two beautiful bouquets. She expressed her thanks and appreciation to all who had helped in making the evening such a success, and especially to Mr. O'Connell, H. Pattison, G. Lundry, A. Hepburn and Capt. Drummond and others for erecting a temporary stage, the lumber for same having been kindly donated by the McAfee Lumber Co.

The supper, which was donated, was capably managed by Mrs. Kearley, Mrs. Drummond, Mrs. W. Y. Stewart, Mrs. Pattison and Miss Val Gyves.

The tables were prettily decorated with bowls of varicolored polyanthus and primroses on yellow paper streamers down the centre of each.

A dance followed, the music being supplied by Mr. McLaughlin, F. Downie and K. Eaton. The dance continued on and on — till the wee hours of the morning sortu grew up, as it were.

During the evening the draw was made for the fine electric lamp donated by the Basketball Club, the winner being Mr. Cummer.

These cruises will be operated by the two companies every Wednesday after the inaugural

LARGE CROWD AT CHILDREN'S PLAY FRIDAY

Stacey's Hall, Sidney, was filled to capacity on Friday night with parents, brothers, sisters and friends who were on hand to enjoy the second production by members of the St. Andrew's Junior Players' Club under the direction and leadership of Mrs. Owen Thomas. This year "Little Red Riding Hood" was the play chosen and was equally as enjoyable as last year's performance — the parts being carried out by the children in a clever manner. The tiny fairies were very pretty in their dainty gossamer costumes and their fairy queen wore her magic charm over the cast, and in the final scene Little Red Riding Hood was saved from the bad wolf and was happily in love with Prince Cupid.

The staging, scenery, singing and costumes added much to the play's success. Following each scene a tableaux was shown.

A tap dance "Lambeth Walk" by Aileen Jones was received with much applause, the encore being "Swanee River." The Toy Shop scene — with songs and sketches by the wooden soldiers — was very good, the Japanese and Dutch dances being especially pretty.

The evening's gaiety was greatly added to by the snappy music of the Toe Ticklers' Orchestra, who played between scenes and for the dance following the performance.

"THREE SMART GIRLS GROW UP," AT REX

GANGES, April 24.—What is said to be the most pleasing picture in which Deanna Durbin has ever appeared, Universal's "Three Smart Girls Grow Up," comes to the Rex Theatre, Ganges, Friday and Saturday this week.

Deanna became a full fledged star with her first picture, "Three Smart Girls." It was followed by "100 Men and a Girl," "Mad About Music" and "That Certain Age." Each picture was hailed by critics as a better one than its predecessor. Now critics and preview audiences are claiming that "Three Smart Girls Grow Up" is the best of the five.

This picture is directed by Henry Kostler, and includes approximately the same cast — Deanna, Charles Winniger, Nella Walker, Nan Grey, and Ernest Cossart, with the addition of Helen Parrish, Bob Cumming and William Lundigan.

Deanna will be seen as the daughter of a multi-millionaire, who tries to straighten out the tangled love affairs of her two sisters, with amusing and amazing results.

In the picture Deanna sings four songs: "Invitation to Dance," "The Last Rose of Summer," "La Capriera" and "Because."

SAANICH MAY CONSOLIDATE ITS SCHOOLS?

ROYAL OAK, April 24.—The question of school consolidation is much to the fore these days and being considered from different angles with a view of finding a satisfactory solution.

The school committee of the Royal Oak Women's Institute, with Mrs. C. Tolson as convener, held a successful silver tea in the Community Hall on Thursday afternoon. Visitors from Tod Inlet, Brentwood, Prospect Lake, Cordova Bay and Royal Oak were welcomed by Miss K. Oldfield, the president.

The hall was beautifully decorated with spring flowers and the tables were centred with vases of lilac, mauve and yellow tulips. Tea was served by the members of the school committee.

Dr. S. Miles, the guest speaker, explained the proposed scheme for the consolidation of the schools, and a lengthy discussion followed. It was finally arranged that a delegation be appointed from this gathering to attend the next meeting of the Saanich School Board.

Tolson was in the chair. Two card games and a children party were held during the month. Reports of schools and visiting committees were read.

MOVIES SHOWN AT REST HAVEN MUCH ENJOYED

Herbert J. Pendray of Victoria gave another splendid movie entertainment at Rest Haven on Tuesday evening, last week, as a continuation of his illustrated lecture of last February picturing his trip to the West Indies, and Europe. An audience which filled the lounge gave free expression to its appreciation by continuous applause. As before, the pictures were all in color.

Crossing over to Sweden from Copenhagen, Denmark, views of Malmö, Helsingborg, and Gothenburg were shown, including a trip up the Gota Canal, constructed over 100 years ago, and which connects the Kattegat with the Baltic, and on which boats pass through no less than 55 locks, some 50 of which are still operated by hand. By this means, the vessel is raised to an elevation of 275 feet. A visit to the charming city of Stockholm was followed by a trip into Norway where very fine views were seen of Oslo, Bergen and Stavanger, cities of great interest at the present time.

In the north of England, scenes in Newcastle, Durham, York, Whitby and Scarborough were enjoyed, following which were some of the many interesting sights of London, including a splendid view of the changing of the guard at Buckingham Palace. On the south coast lovely pictures of Bournemouth and its beautiful surroundings were seen.

E. S. Humann expressed appreciation to Mr. Pendray for the excellent entertainment which afforded so much enjoyment to patients, friends of the district and members of the hospital staff.

Local Cow Makes High Records

"GOLDEN STANDARD'S MARIE"

The Review is quite proud of having received the following information from the Canadian Jersey Cattle Club, 749 Yonge Street, Toronto, Ont., concerning one of our well-known local Jersey cattle breeders, Arthur W. Aylard:

"The Jersey cow, Golden Standard's Marie, bred and owned by Arthur W. Aylard, Sidney, B.C., has completed a record of 12,959 lbs. of milk, 743 lbs. of fat, with an average test of 5.76 percent in 305 days, on twice a-day milking. She has been awarded gold and medal of merit certificates by the Canadian Jersey Cattle Club. Marie already has five other records to her credit, winning two gold medal certificates and two silver medal certificates, all of which make her one of the great cows of the Jersey breed. She is now making her sixth record, and in her first month made over 100 lbs. of fat, and seems well on her way for a 1,000 lb. record. She is a daughter of the silver medal bull, Golden Standard 2nd, Canada's first preferential sire.

"She has produced 64,083 lbs. of milk and 3,355 lbs. of fat, and has a wonderful start for a sensational long distance record."

Tenders should be made on the forms supplied by the Department and in accordance with departmental specifications and conditions attached thereto.

In the case of tenderers quoting for one or more places or buildings and when the total of their offer exceeds the sum of \$5,000, they must attach to their tender a certified cheque on a chartered bank in Canada, made payable to the order of the Honourable the Minister of Public Works, equal to 10 percent of the amount of the tender, or Bearer Bonds of the Dominion of Canada or of the Canadian National Railway Company and its constituent companies, unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque if required to make up an odd amount.

The Department also reserves the right to demand from any successful tenderer a security deposit, in the form of a certified cheque or bond as above, equal to 10 percent of the amount of his bid, to guarantee the proper fulfilment of the contract.

By order,
J. M. SOMERVILLE,
Secretary,
Department of Public Works,
Ottawa, April 18, 1940.

SAANICHTON

A large attendance of parents, pupils and friends were present Friday evening at the annual school concert of Mount Newton High School. A cleverly arranged program was presented and the numbers received much applause. The program was as follows: Girls' choir, "Southern Memories," "Nymphs and Shepherds," "Canadian Boat Song"; folk dances; Mount Newton Moonshiners in "Awfully Good"; play by Dale Sutherland, Pat Gray, Mary Cruise, Joy Squire, Dorothy Chubb, Joanna McIntosh, Edith Wilson, Robert Thompson; girls' choir, "Lass With the Delicate Air," "Drink to Me Only" and "Dream Seller"; Mount Newton Moonshiners in "Worth Mentioning."

Recent permits issued for dwellings to be erected in this area included a four-roomed dwelling to cost \$1,000, to be erected by Sydney Pickles, on Mount Newton Cross Road. W. A. Parker is building a four-roomed home costing \$1,600 on the Old Saanich Road.

LAKE HILL

A large number of members and friends attended the annual quiz contest and tea held Thursday afternoon, last week, by the Lake Hill Women's Institute. The institute hall had been prettily decorated with spring flowers and streamers of green and yellow. The guests were welcomed by the president of the institute and during the afternoon contests and games were enjoyed. The main contest was a quiz — with questions based on cooking facts, with 11 contestants entering. A home cooking stall was successful and gratifying financial proceeds resulted from the affair.

On Saturday evening a lantern lecture was given by Douglas Flin-toff at the Grovers' Wine Company, Lake Hill, sponsored by the Saanich Home-workshop Club. At the conclusion of the pictures members of the club and their friends were taken over the plant and refreshments were served.

COLQUITZ

The Colquitz Tennis Club held a successful "500" card party on Wednesday evening, last week, in the Colquitz Hall. There were seven tables in play and the following were the winners: First, Mrs. Hooper and Mr. H. Halander; second, Mrs. G. Austin and Mr. W. Paine; consolation, Mrs. E. Abercrombie and Mr. H. Huntington. A fruit cake was won by Mr. George Smith. After cards refreshments were served, Miss Betty Austin being in charge, assisted by Miss Grace Hodgson.

TOD INLET

An engagement of interest has been announced between Alice Margaret (Peggy) Garrard, twin daughter of Major and Mrs. W. Garrard, Tod Inlet, B.C., and Mr. John A. McK. Wells, elder son of Mr. and Mrs. W. C. Wells, of Wilkie, Sask. The wedding will take place in December.

KEATING

Members of the Keating Tennis Club entertained their friends at a gay dance Friday evening, April 19th, in the Temperance Hall, East-Saanich Road.

The hall was prettily decorated with spring flowers — large baskets being placed on the stage. Music was supplied by Len Acres and his orchestra and the couples were kept happy dancing to the very latest in dance numbers. "Vocalists" were supplied by several promising young people from the district — judging from the applause they were pretty good. S. Caldwell, Brentwood, won the lamp.
